

District of North Saanich

Cycling Subcommittee

Minutes of the meeting held Tuesday, May 10, 2005 at 7:00 pm. In the Municipal Hall at 1620 Mills Road

1. Additions to the Agenda

No additions to the agenda.

2. Review of notes from previous meeting

No changes to the previous minutes.

3. Business arising

- Liability considerations for proposed hiking and cycling event
 - o Tim indicated that there are no liability issues because it was being sponsored by the district unless the crowd gets larger than 200
- OCP submission and Terms of Reference
 - o Bike information was submitted to OCP
 - o One minor change on the map which Tim was going to make and re-submit to OCP contractor
 - o Note that a copy of the OCP is on the Website
- New Date for Bike/Hike event
 - o moved to October 16,2005, same day as the North Saanich "Communittea"

4. Review of "history" of previous cycling committee activities, earlier surveys etc.

- o Farrell, Annie and Floyd reported on the material they had been given from the old cycling committee files
- o Decision was made to write up some notes of what was in the files and sore the summary with the bulk material in the Engineering Library

5. Workshop to gather input from the cycling community

- o Item deferred until next meeting

6. "Critical flow paths" for the cycling proposal to District Council and the Activity Afternoon

- o Item deferred until next meeting

7. Evaluation of safety of proposed cycling routes

- o Item deferred until next meeting

8. Other Business

Annie and Tim will monitor council actions with respect to the cycling budget

9. Action Plan

Refer to April meeting - Discussed preparing a 5 year plan after the "Bike and Hike" day

10. Date of next meeting

June 7, 2005
