Dear Sir or Madame:

RE: CONDITIONS FOR SUPPLY OF DIGITAL INFORMATION

The digital information that you have been provided is copyrighted. **It is supplied to you as requested, for your own (internal) use only and is not to be distributed in whole or in part in a digital format.**

This information has been generated from the current information in our AutoCAD database. Although we try to ensure this information is current and accurate, we do not guarantee the accuracy of the information. The AutoCAD database may not completely cover the area requested. This information should be field confirmed by the user before actual use.

The District of North Saanich Engineering Department is currently using AutoCAD Map 2004 software. Conversion of these files for a different release of AutoCAD or to a different format could cause the loss of, or distort some data. We therefore recommend that you use this data with AutoCAD Map 2004 software.

It is the District's policy that the user of the information consents to the above conditions. Your signature below signifies receipt of this information and your acceptance of these conditions.

If there are any areas of concern or additional information required, please contact John Carnell at 655-5499.

Tim Tanton, P.Eng.
Municipal Engineer
