

# NEW HOUSING UNITS REPORTING FORM

**Background:** Municipalities are required to report on progress to meeting Provincial housing targets.

**Instructions:** Please fill in the following information in relation to the number of new housing units you are proposing in your rezoning or development permit application.

| Proposed Number of Units by Size                  |  |
|---------------------------------------------------|--|
| Studio                                            |  |
| One Bedroom                                       |  |
| Two Bedroom                                       |  |
| Three Bedroom                                     |  |
| Four or More Bedroom                              |  |
| Units by Tenure                                   |  |
| Rental Units – Total                              |  |
| Rental – Purpose Built                            |  |
| Rental – Secondary Suite                          |  |
| Rental – Accessory Dwelling                       |  |
| Rental – Co-op                                    |  |
| Owned Units                                       |  |
| Units by Rental Affordability                     |  |
| Market                                            |  |
| Below Market - Total                              |  |
| Below Market - Rental Units with On-Site Supports |  |

## NOTE:

**Below Market Units** are units rented at or below 30% of the local Housing Income Limits (HIL) ([housing-income-limits-hils-notice-november-2024.pdf](#)) per unit size.

**Below Market Rental Units with On-Site Supports** are units rented at the Income Assistance Shelter rate ([Income Assistance Rate Table - Province of British Columbia](#)) providing permanent housing and on-site supports for people to transition out of homelessness.
